

Combating sexual violence Translating realities into policies

Sigríður Björk Guðjónsdóttir,
District Commissioner of
the Metropolitan Police

TRUST-PROFESSIONALISM-SECURITY

The Journey from realities into policies.

A voice to the victims

An understanding of the importance

A demand for change

Reorganization with a new mindset

Professional teams

Technical solutions

More funding

Faster investigations

Networking for a comprehensive approach

What else?

Access to police database

Explaining decisions to victim

Support/psychologist

Virtual reality solutions

Is it enough?

Trust

Police involvement or not – two paths

What is the missing factor?
