

# **Parliamentary Resolution**

**on the recognition of the independence and sovereignty of Palestine.**

---

Althingi resolves to entrust the government to recognize Palestine as an independent and sovereign state within the pre-1967 Six Day War borders. Also, Althingi urges Israelis and Palestinians to reconcile through the means of peace agreements on the basis of international law and resolutions of the United Nations, including the mutual recognition of the State of Israel and the State of Palestine.

Althingi reaffirms that the PLO, the Palestine Liberation Organization, is the legitimate representative of the Palestinian people and also recalls the rights of Palestinian refugees to return to their former homes in accordance with resolutions reaffirmed by the United Nations.

Althingi demands that the conflicting parties in the Arab-Israeli Conflict cease warfare and acts of violence forthwith and respect human rights and humanitarian law.
